FINANCIAL INFORMATION

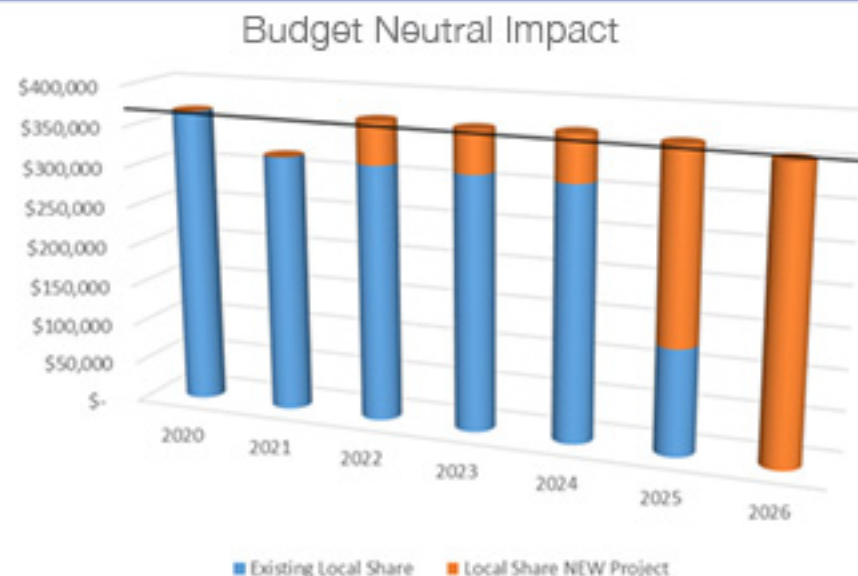

NO ADDITIONAL TAX IMPACT

Proposed Project Cost
\$21,600,000

State Building Aid Ratio
88.4%

Local Share (Budget Neutral)
11.6%

Financed Over
15 Years (using current tax dollars)

The proposed project is budget neutral and will not require an increase in your taxes. As bonds are paid off from previous projects, the new debt service that will be incurred is a direct offset to current debt service expiring from older projects.

Additional financial details are available in documents posted on our website.

EDUCATE
INSPIRE
EMPOWER

The Oneida City School District is proposing a facilities improvement project that will:

- ✓ Enhance safety and security with additional outdoor lighting, security film, and lockdown buttons
- ✓ Replace and update aging mechanical, electrical, plumbing systems and fixtures
- ✓ Replace aged windows, doors and hardware to meet current codes and secure building
- ✓ Improve site features including parking lots, roads, sidewalks and traffic patterns
- ✓ Replace outdated systems and infrastructure currently beyond their useful life
- ✓ Renovate MS gymnasium and HS 1957 gymnasium
- ✓ Renovate the HS auditorium and provide lobby addition
