Oneida Lake Association High School Scholarship Application

The Oneida Lake Association (OLA) was founded in 1945 to protect, restore, and preserve the natural resources of Oneida Lake and its surrounding ecosystem. The OLA has evolved from what was once perceived as a fishing association to what has today become a powerful environmental partnership group. The OLA represents its 2,500+ members in legislative and environmental issues which impact Oneida Lake. The OLA looks to our youth as the future of our organization. We are so pleased that this next generation has demonstrated a strong concern for our environment, including a stewardship of our precious resource, Oneida Lake.

Our Mission

The Mission of the Oneida Lake Association is to protect the fisheries, wildlife, and natural resources of Oneida Lake by promoting science-based conservation and management through education and outreach, in partnership with our members and local communities.

In order to support the environmental leaders of tomorrow, the OLA has established a scholarship program for both high school students and college students. We will award one scholarship (\$500-1000) in the high school category.

Please fill out this application and mail to:

OLA Scholarship Program

Box 3536

Syracuse, NY 13220
