

# Oneida City School District

## Hybrid Learning Model

## Reopening Information Sheet

Based on guidance from the New York State Department of Health, the Madison County Department of Health and the New York State Education Department, a hybrid learning model appears to be the best way to address the health and safety of our students and staff.

On defined days, some students learn remotely and others learn at school. This limits the number of students in classrooms, on buses and in the hallways at one time. This plan is subject to change and dependent on the Governor's approval.

### Students will be in 4 Groups

- **GROUP 1** (Last names A-K) The last name of the eldest child in the household will determine if your family is in this group. They attend school on Monday and Tuesday; remote learning takes place on Wednesday, Thursday, and Friday.
- **GROUP 2** (Last names L-Z) The last name of the eldest child in the household will determine if your family is in this group. They attend school on Thursday and Friday; remote learning takes place on Monday, Tuesday, and Wednesday.
- **GROUP 3** includes English Language Learners and some special education students. They will attend school on Monday-Friday.

During the week of August 10<sup>th</sup>, the District will provide parents with options to request 100% remote learning and request group changes. The request forms can be found on our website and at each building's main office.

- **GROUP 4** are students who are choosing to learn remotely 100% of the time.
- All teachers and support staff members will be working from school every day.

### *In order to reopen all NYS schools must:*

- ✓ Maintain appropriate social distancing
- ✓ Require face coverings for staff and students
- ✓ Establish a process for health checks
- ✓ Promote correct hand hygiene and respiratory etiquette
- ✓ Provide daily teacher/student interactions
- ✓ Regularly clean and disinfect schools and buses
- ✓ Ensure educational equity
