1. Review of Information-

- The team review a variety of information regarding the facility study completed during the 17-18 school year. The study can be found at:
https://oneidacsd.org/district/special_projects/facility_study
- We also reviewed the initial purpose of the facility study which was: *Is there a better way to educationally and fiscally to reconfigure the grades and facilities to provide a sound instructional program now and into the future?*
- The team also reviewed the facility forum PPT that was held on January 2019 and the feedback that was provided at the meeting. These items will be added to our website.

2. What is our purpose?

- The team began discussing the purpose of this team. We decided that we need to define the problem, determine what data and information is needed to solve the problem, determine who we need to garner data and information from such as our stakeholders, and look at a plan that includes education and finances.

3. Next steps

- The team decided our agenda for the next meeting. Additionally, they were to come prepared to discuss our purpose at our next meeting

NEXT MEETING- April 2, 2019 at 6:30 PM at the District Office.
