On Thursday December 8<sup>th</sup>, the National Jr. Honor Society Students hosted a wrapping event to help the community with their wrapping needs! They served cocoa and cookies, had a coloring station for kids, and a photo prop opportunity. The students had a great time and raised money for the student activities fund of OSMS! We look forward to hosting this night again next year!

Student Council hosted spirit days on December 9th & December 16th to help get us into the holiday mindset. Food & Stocking stuffer donations were brought in (we had a friendly competition with the Madison County Sheriff's Dept) and we all had a blast!
