Members absent: Amy Bishop, Deb Cohen, John Costello, Michele Farwell, Amy Roache-Fedchenko, Jennifer Roberts, & Angela Sayles

1. What is our purpose?

- The team began reviewed the Facility Study recommendation #2-*The district should convene a facility planning committee, comprised of both school staff and members of the community, whose role it will be to develop and monitor a long-term facilities plan for the district*
- The team discussed problems with the facilities (infrastructure), facilities in relation to the instructional program, and facilities in relation to equity in the elementary program.
- The team formalized their purpose: To create a facility plan that allows for the design and development of flexible instructional learning environments that support student success now and after graduation.

2. How to move forward?

- The team discussed information that they need to create a facility plan and fulfill their purpose as a team.
- The team created a list of information that was needed to move forward:
 - Tour of our schools and other schools
 - Define success
 - Data on success- where are we with success in work, college
 - Inventory of assets and programs perceived well by the community
 - 5 year building survey from architect
 - Research on learning environment and outcomes
 - What is needed for college and employment
